Sports Days

Our TWO athletics carnivals were held last week. We were lucky with the weather – not too hot, not too cold… just right! We were lucky with

the organisation – no too strict that all students couldn’t participate, not too loose that no student knew what was happening… just right so
everyone could join in, be successful and have fun. We were lucky with

our staff supporting these days – not too rigid so that students couldn’t
cheer and encourage their team mates, not too distant that students didn’t feel safe and supported… just right so students and

teachers could all have fun together.

That’s a lot of luck! What’s really lucky is that we have Mr Daley, Mrs O and Mr Cubis taking on all the details and planning and our marvellous

staff who simply enjoy getting the most out of these fabulous school events. Thank you!

TRAFFIC AT OUR STOP DROP & GO ZONES

Parents and resident have identified that if an afternoon they are sitting

in stand still traffic for up to 20 minutes, from around 2.50 until after

3.10, because cars are queued waiting to access the STOP, DROP and

GO zones. Please be mindful that queue traffic can affect not only the

collection of our students, but also the collection of students at other

schools. Rather than sit stationary we would ask that cars continue
don down Boles Street and l

unches are expensive, we place them somewhere safe

If we take off our hat, make sure it goes straight back into our
