STUDENT LEADERS
Student leadership is a very respected and important role undertaken by our senior students. To be nominated as a potential student leader, students have to be recognised as always safe, responsible and respectful in all school contexts – the classroom, the playground, on camps and excursions, with visiting or relaying teachers and in all specialist lessons.

Our students are the ‘BEST’ – but they are still kids, so this expectation is a very HIGH standard. This year 22 Year 5 students were nominated as potential school leaders for 2015, and all accepted their nomination. Each of these students presented a speech to the Year 3, Year 4 and Year 5 students on Thursday; the quality of the speeches and confidence demonstrated by these wonderful student leaders was outstanding.

The 2015 school captains and other leadership roles will be announced on the senior assembly, Friday 5th December, 2014.
