New Before School Procedure
Due to duty of care of students and students being dropped off at school early, we have put the following process in place.
The following will be explicitly taught to students about our new before school procedures, but please remind your children at home.

Process:
- All students who arrive before 8:15am must sit and wait for the 8:15am bell under C Block (the Year 5 Eating area). For Term 1, Prep students are required to be dropped off and collected from their classroom, so NO Prep student should be dropped off to their class before 8:30am.
- At 8:15am, a bell will ring signalling students can go out to play. Students must wear a hat (including on the basketball courts) or they will be directed to remain seated under C Block.
- Play spaces are as follows:
  - Year 1 and 2: play on the covered fort below the Year 3/4 oval.
  - Year 3 and 4: play on the Year 3/4 oval or the Year 3/4 basketball court.
  - Year 5 and 6: play on the Year 5/6 oval or the Year 5/6 basketball court.
- Students found anywhere else throughout the school between 8:00am and 8:45am are to be directed to these areas or to sit under C Block;
- At 8:45am a bell will ring to signal the end of play time. The teacher aides on duty will direct students to begin organising themselves for the day – get a drink, fill water bottles, go to the toilet, drop off tuckshop orders, return borrowed books to the library etc. Students are expected to be moving towards their allocated classroom through this time;
- At 9:00am a bell will ring to signal the start of lesson time.

* Can I also acknowledge the staff who have voluntarily given up their time to supervise from 8:00am-8:15 am.
Cliff Daley, Terry Rudder, Leanne Pearce, Deb Howlett, Kath Pickup, Lyn Sumner, Katie Rowland, Belinda Russell, Justine Haines, Hope Watson Colleen Druett, Jessica Cascianelli, Jillian Schulke, Rebecca West, Daniela Morello and Lorren Leach.

Annual Improvement Plan
This year you will hear staff talking to students about their writing goals. At present teachers are working hard with the leadership team to identify writing goals for ALL students at Gladstone West State School. Our improvement agenda this year will be on writing and how we intend on building students’ ability to write better, is to set goals for them. We are then supporting teachers in giving them the resources and tools to specifically target these goals. Our other area for improvement this year will be teachers giving specific feedback to students regarding their writing goals. As we know, feedback helps us improve in our work, so it goes without saying if we give students specific feedback, they too will improve.

Big Thank You
I would like to finish this weeks newsletter piece by saying firstly how proud I am of your children in year 3, 4, 5 and 6 for the changes that occurred last Friday with movement of classes. The students listened and followed directions really well and this task happened without any major issues.
Also thank you to the parent community of Gladstone West State School. I have never felt as supported by a parent community in my time as a leader. Thank you for your understanding that it was a difficult situation and we have tried to make the best out of it, and also keep it fair and transparent. Once again thank you for your support. I also endeavour to make contact with those that did have concerns or issues with the changes, as I have been touching base with the class teacher and students.

Yours in Education
Damien Hoare

## PBL Focus:

**This week's PBL (Positive Behaviour Learning) is being — “Responsible” by:**

“Being Punctual”

---

## PBL — West Star Process

All children will be starting on ‘ready to learn’ at the beginning of each session. If at the end of the session they are still on ‘ready to learn’ they receive a star for that session. Children are able to receive the maximum of 3 stars a day. If children are stepped down the star chart they do not receive a star for that session. At the end of each day the teacher will record their stars on their recording sheets. At the end of each week the class teacher records students total on the PBL spreadsheet.

- Students' points are accumulated up until 100 where they will receive their certificate for reaching one of the coloured star levels. This may take some children longer than a term to achieve. Once they have received a certificate their points will reset and they will begin to work towards the next coloured level by earning 100 points again. Students will work their way through the mid-term acknowledgments again as they accumulate points.

- Children that have started at West during the year will be given points based on when they arrived at school e.g. Someone beginning in week 4 of term 1 will receive 60 points as their starting total. These children will work towards the next star status.

- If children are away for a day they do not receive any points.

- No points are added or taken for playground incidents—stickers and verbal praise for positive behaviour.

Please note that this will be taking over from our previous PBL which was our BEST OF WEST award system. If you have any queries in regards to the new PBL reward system please see your classroom teacher.

**School Safety**

**Attention Parents**

Parents are not to be driving into the school via the Quoin street entrance to drop off or pick up students. This is reserved **only** for Students with Disabilities who have arrangements already put in place or sometimes students with a major injury requiring drop off which has been approved by the principal.

No other vehicles are to drive into the school as student safety is compromised.

Thank you.

**Medication**

Parents/caregivers are reminded that all medication given to students at school must be prescribed by a doctor, a medication form must be completed and medication stored at reception where it will be administered to students. Parents are asked to ensure a CURRENT green medical authorisation form is completed.

**EPIPENS**

Please make sure you have replaced any EpiPens that may be out of date. These are stored at the office (unless alternative arrangements have been made). A new green form must also be completed for 2016, at the office. Please update any action plans and contact details at the office if needed.

**Volunteers**

Any parents wanting to volunteer in their child/ren’s classroom or Tuckshop must come down to the office and fill in a new Volunteers form for the 2017 Year. All Volunteers must sign in at the office and collect a lanyard to be worn while in the school grounds.

**School Camps**

In 2017 Gladstone West State School will be offering our Year 4 and Year 6 the opportunity to participate in a School Camp. Our Year 6 Camp will be commencing in March and a date for our year 4 camp is yet to be decided. Last week an expression of interest note went home with all Year 6 students, if you have not yet returned this could you please do ASAP.

Please note that payments can be made at any time for these camps and they will sit as a credit against your child’s account.
ICAS Competitions

Information for the upcoming UNSW ICAS competitions has gone home with all students from Year 3—6 in the next week. Each year the University of NSW conducts assessment tasks (competitions) for children across the South Pacific in a variety of subjects. The objective of these competitions is to help parents gauge the progress of their child against children in Australia, New Zealand and the Pacific Islands. These competitions are not compulsory but are open to families willing to pay the cost to have their child participate in the task.

There are a variety of competitions to enter, each of which cost $8.00, apart from spelling ($11.00) and writing ($17.00) as they are marked individually. Parents can enter their children in as many of these as they choose. To make the most of this opportunity parents must pay in advance for these competitions. The due date for payments is Friday 24 March. Unfortunately late entries cannot be accepted, as these payments need to be forwarded interstate.

Last year many of our children received “academic excellence awards” and we encourage parents to talk to their children to consider taking on this challenge. Children do not need to sit for each competition, but should consider tackling the subjects they demonstrate confidence in. eg: if they’re good spellers, try the spelling competition!

Parents please note that our Year 2 students are only eligible to sit the Spelling Competition.

Out & About

On Thursday, 2\textsuperscript{nd} February 2017, our school leaders attended a function held by the Gladstone Healthy Harbour Partnership (GHHP). The event celebrated the release of the GHHP Education Resource Kit, the Gladstone Harbour Report Card and the second edition in the GHHP’s Barry and Jenny children’s storybook series “Barry & Jenny’s Release: Gladstone Harbour Report Card 2016”. The school leaders had the pleasure of meeting our Minister for Environment and Heritage Protection, and Minister for National Parks and the Great Barrier Reef.

Pictured: Steven Miles, Queensland Minister for Environment and Heritage Protection, the Minister for National Parks and the Great Barrier Reef with our school leaders Ella Grambauer, Finlae Harris, Kane Martin and Zachary Breadsell.

Sport—Soccer

Yesterday our West Boys played their first game in the Toyworld Cup Interschool Soccer Competition. It was great to see their team skills develop as the game progressed. The crowd was treated to some strong passing and Finn Jefferis made an inspiring break late in the 2\textsuperscript{nd} half. Aiden Ford scored a hard fought goal which was to be the only one for West. Jack Pickup and Bryce Marshall were fearless as our goalies. The boys were defeated by a very experienced Trinity side but they can all be proud of their efforts. A big thank you to our families for supporting West. We had the loudest cheer squad.

Supporting Your Child with Autism at School

**Session focus:**
Parents and carers play a key role in supporting their child with autism in the school environment. This session will provide parents with information and strategies in order to maximise educational and social outcomes for their children.

Topics to be covered:
- Understanding the support available to your child at school
- Building successful relationships with school staff
- Supporting at home.

**Intended audience:**
Both sessions are intended for parents and carers of children with autism who are school-aged.

**This session will be run twice. Please register for your preferred session.**
Note, it doesn’t matter whether your child is primary or high school aged as both sessions are exactly the same.

There is no cost for this session.
Our school photos will be taken on 28th February & 1 March 2017

For the convenience of our school community, school photos can be ordered and paid for online using a secure online platform. Orders placed online DO NOT require an envelope, cash/cheques or paperwork returned to school.

Envelope Orders: photos can also be purchased in the traditional manner using an envelope, with cash/cheque enclosed.

The preference of our school is that orders and payments be made online, as this reduces the administration and associated security issues related to the return of cash & envelopes on photo day.

To place your order visit www.advancedlife.com.au and enter the code- DGC 4HZ XWE. This code can also be found printed on your envelope. Please be aware that-

1. Sibling/Family Photos can be ordered online or via envelope. To ensure a smoothly run photo day, online orders for Sibling/Family Photos will be cut off at 12.00 a.m. the night before our photo day to allow a list of students that require Sibling/Family Photographs taken to be compiled. Sibling photos can still be ordered after the online cut off date by collecting an envelope from the office and returning the envelope on photo day with your payment enclosed.
2. All online orders should be placed on or before our day of photography.
3. The online code above may also be used to order sports and other group photos.

All orders placed online will be delivered to the school for collection

* Photo envelopes have gone home TODAY with every student at Gladstone West School.
* Sibling photo envelopes can be collected from the Admin Office.

Oral Health Services

Oral Health Services: please read regarding changes in appointments.

We are welcoming all children to attend our free dental service at Gladstone West State School.

All consents have been collected at the end of the 2016 school year, however if you missed out in returning a form or you are new to the school please call into the dental clinic on Monday, Wednesday or Friday - our staff will be happy to give you a consent to complete. We will issue consent forms to Prep students in term 2, to allow them to settle into school first.

There have been changes to our service in the last few months. Our guidelines in appointments have changed in line with improved child safety. This major change is - Oral Health staff no longer collect children from class or call them down via the office. The Clinic staff will now ask a parent or other responsible adult to be responsible for the children attending our clinic. This may mean that the child, if old enough will be able to attend alone- as long as they are aware of the appointment time and it is arranged with the school by the parents. As always we will ensure that written consent is received prior to treatment.

It is understood that this change will be inconvenient at times and wish to assist you as much as possible; we respect that our families have busy lives and, although difficult at times, your wishes will be met when we are able.

If you are unable to attend an appointment please phone West School Dental Clinic 49729364 so we can see another family at that appointment time.

I hope you take up the opportunity to receive free comprehensive and quality Oral Health care for your family while we are on site at your school.

Kind regards

Dianne Degney (Principal Oral Health Therapist)
$1394 raised through School Banking!

Thanks to the fantastic efforts of our students we raised **$1394.55** for our school through School Banking commissions in **2016**. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

Saving regularly is an important habit to get into, whether you’re saving a little or a lot. Keep up the great work!

Thank you for supporting the School Banking program and remember, School Banking day is every **Tuesday**.

**New School Banking rewards now available!**

Exciting new Term 1 rewards with a Future Savers theme are now available, while stocks last!

**Cyber Handball**

**Colour Change Markers**

For every deposit made at school students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for exclusive School Banking reward items in recognition of their regular savings habits. There are two new items released each term so be sure to keep an eye out for them!

What people are saying:
What a relief to come across a program that presumes the dignity of the child, assumes the self control of both the parent and the child and is actually easy to understand who knows is a hard thing to get!

I realised quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid losing a child who loses down the line, even extreme discipline or goes out of control.

Who is running it?
The presenter for this course is Marie Tudoli who completed Parentship’s 1-2-3 Magic® & Emotion Coaching practitioner training on August 26th 2013.

• An end to the arguing and yelling! • It saved our lives • Simple, sane, effective

This course is being run by a Parentship© licensed practitioner - www.parentship.com.au
