8.00am – 8.30am with Gladstone coach Rob McBean in attendance on Friday mornings. All students who are interested in playing tennis can come down to the school courts at 8.00am, the school will provide racquets and balls for these sessions along with coaching tips to help you improve your game. It is awesome to see so many parents come along to have a hit with their children.

Being involved in this exciting initiative will ensure all children have the ability to experience tennis and the MLC Tennis Hot Shots program which is Tennis Australia’s official development program for primary aged children. Our school is very excited to be involved in this program which comes with a range of very exciting benefits. Some of the benefits include:

- Free MLCTHS t-shirt and gift for each student in the school (claimable when each student registers on the MLCTHS website)
- $2.00 per student Playground equipment rebate for each student who registers on the MLCTHS website and nominates our school, when registering each child receives a free shirt and the school will receive $2.00 for tennis equipment. The more registrations leads to more funds.

Our school is proud to be a part of Tennis Australia’s National School Partnership Program which supports schools around Australia who commit to delivering tennis within their health and physical education curriculum. Don’t forget that all students can claim their free t-shirt by registering at www.hotshots.tennis.com.au/claim. Once on the site, here are the prompts you need to complete:

- Find the section ‘Claim your free stuff’ then scroll down to ‘MLC Tennis Hot Shots venue’
- Type in “Venue Postcode” 4680. Then click search
- Select “Gladstone West State School”
- Now simply complete your child’s details to receive a free shirt
- When asked for ‘Child’s playing level’, please complete as 5-8 year olds and all others as Orange.

The Turn 2023 Community Workshops will be held on five Wednesdays if they have already received a form. We need at least 9 players to play a match. Parents and / or carers are welcome to attend individual sessions or all sessions. The session’s details and morning tea will be provided.

**COMMUNITY NOTICES**

**SCHOOL TELEPHONE NUMBER**

- Administration 1300 733 333
- School 4979 7333

**STUDENT ANNUAL NUMBER**

- 4979 7333
